PARISH COUNCILLOR VACANCY

Easton on the Hill Parish Council has a vacancy for a Councillor. The term of office is initially until May 2025 as the last election was May 2021. There will then be another local election.

If you are interested, enthusiastic and can spare a few hours a month, please contact me for a copy of the co-option policy and short application, asking for a brief statement giving reasons why you feel you would be a suitable candidate. No specific experience is necessary.

Candidates will be invited to the next appropriate Parish Council meeting, when a decision will be made.
