Meetings/planning applications

Meetings will only take place as and when necessary to discuss a particular planning application - for example where members need to discuss more fully the Council response, or a member specifically asks for a meeting - or for another particular issue in the Committee's remit.

Planning applications will be forwarded from the Clerk to members, who will;

- look at the application, study the relevant plans
- visit the site where necessary, talk to the applicant and consider any comments from members of the parish before coming to a decision, visit neighbours where appropriate
- consider whether to canvass opinion for and against applications to assist with a fair determination of applications
- ensure all relevant parties are given an adequate hearing if they request this in accordance with the Council's standing orders
- examine the development plan and impact of the application on the local area/village outlook/feel/characteristics/street scene/neighbouring properties in order to decide on their stance on the application
- take into consideration "The National Framework" and Planning Policy and Guidance, PPG, before making comment
- put their comments in writing to the Clerk and other members
- recommend to the Parish Council how it should respond to each planning application
- ensure that any objections or recommendations are based solely on planning criteria
- Where the members feel that the deadline for comments is too soon to allow an adequate response, the Clerk will be requested to ask for an extension to the deadline.
- The Clerk will send the agreed response to the District Council.
