Authority

The Playing Fields Improvements Committee has full delegated powers to make decisions and spend grant money allocated specifically for playing field improvements, as specified in these terms of reference. The committee is appointed by and solely responsible to Easton on the Hill Parish Council. All business will be conducted as per the standing orders of full council meetings.

The committee duties are defined and agreed by the Main Council who may vote, at any time, to modify the Committee's powers. The committee will meet at least every 2 months and sometimes more depending on timescales relating to the project.

The committee may appoint working parties or sub-committees to work on a specific part of the project.

The committee will last until such time as a Playing Field Association is able to be considered to be set up as previously agreed by the council.

Membership

Members of the committee will be at least 5 members of the Parish Council and up to 5 non-councillor members all with voting rights.

S102 (3) of the 1972 Local Government Act provides that a council can appoint persons who are not its members to committees and sub committees (including joint committees and sub committees).

Non-Councillor members of a committee cannot normally vote at meetings, however an exception to this is that they can vote at meetings which concern the following;

“the management of land owned or occupied by the council”.

The term management does not include making decisions about the total amount of money which may be spent by the council in a financial year in respect of land or a festival.”. It is recognised that the full council sets the budget for the playing field and this committee will only apply for grants to spend on the improvement of the playing field. Any additional spend has to be agreed by the full Council.

Membership will be a maximum of 10 people. The Local Government and Housing Act 1989 10 ss13(3) and 4(c) of the 1989 Act confirm that non councillor members of committees can have voting rights when the land is owned or managed by the Parish Council. At least one of the councillors will also be a member of the Finance Committee and one non councillor member will be a representative from the Easton on the Hill Cricket Club.

Members who are non-councillors with voting rights are to be agreed by the councillor members.

Quorum at the committee meetings will be 4 members and consist of no fewer than three council members.

At its first meeting, it will elect a Parish Councillor to be Chairman to preside at its future meetings and will also elect a Vice Chairman if it wishes – all members to be re-elected each year at the annual meeting of the Parish Council. The chairman will have a casting vote when votes are tied on a decision.

The committee may appoint a volunteer Project Manager to oversee the operations and specific works.

Record of Proceedings

1. Agendas will be produced and displayed in the same way as for full council meetings and open to the public. They will show the motions on which decisions need to be made.
