	05.1	and resolve any queries, herewith.					
		The report was received and noted, and the Clerk did a brief summary of the current position – see					
		end of minutes. It was noted that a formal request has been made for a donation towards the warm					
		space initiative, however it was too late for this agenda. The Clerk asked Councillors to think of any					
		other village groups that may also need a donation.					
	85.2	To receive and note update on a Multipay card from Unity for Cllr Woodman and the Clerk.					
	85.2	It was noted and the forms were signed at the meeting, ready to be submitted. Action Clerk					
	85.3	To note issue with payment of grant for goals and suggestion from Clerk.					
	05.5						
		The Clerk explained that the issue had been resolved that day due to a review of the Football					
		Foundation's accepted banks to now include Unity Trust Bank, so the grant can be paid in. Action Clerk					
	65.5	To receive bids for next year's budget from working groups/committees and discuss and agree					
		inclusion in draft budget. The Clerk said there was a bid from the Traffic Working Group for half the cost of another speeding					
		device, £1500 - if another grant was awarded, the Parish Council would need to pay half. The Trees					
		and Greens Working Group bid £1100 but this was to be clarified against the current budget lines					
		as to what is regular (maintenance based) and what is discretionary (project based) expenditure.					
		The Playing Field Management Committee Chairman had submitted £6500 but this needed to be

	85.6	To receive feedback on training courses attended, AI for Clerk (also in E update) and Off to a
		Flying Start, Cllr Ford.
		Cllr Ford reported some positive feedback on the course she attended. The Clerk will circulate notes
		from the AI course. Action Clerk
23/86	PLAYING FIELD M	MANAGEMENT COMMITTEE (PFMC), CRICKET CLUB AND THE DRIFT
	86.1	a) To receive and note the business plan report from the PFMC and resolve whether to ratify
		the decision to take on the sports pavilion on a permanent basis, taking into account the
		total ongoing maintenance and running costs, herewith.
		The report was received and assumed read by all. K Cox explained some of the figure queries
		however there was still some clarification needed on the balance, surplus or deficit, although the
		costs are to be covered mostly by the hirers. It was accepted that assumptions regarding rental
		income had to be made and a balance was needed on the risks and managing those risks. The
		figures meant that a rental cost of £450 pm would be needed for hire of the pavilion and pitch by Wittering Premiair Football Club, or another hirer, plus the hirer also pays for the electricity and water they use.
		The current and planned refurbishment of the pavilion is to be covered by the current project
		budget for the PFMC/PC this year. It was noted that consideration should be given to other projects
		like the car park repairs, dirt track, Woodland Area. It was noted that these could possibly be
		covered by grants and this is being investigated.
		The running costs liability of £787 to the Parish Council can be covered within the existing budget/precept and also other football and cricket clubs have expressed an interest in hiring the
		facilities.
		A vote was taken, and Councillors voted unanimously to take on the pavilion on a permanent basis,
		on the basis and assumptions as above, and the revised figures to be ratified by the PFMC and then
		presented at the next PC meeting. Action PFMC
		b) To note terms of reference to be updated following decision above and in respect of
		council/committee responsibility for health and safety and fire risk of the buildings.
		This was noted. The Health and Safety and fire risk responsibilities were accepted as falling to the
		PFMC sub-group, with Clerk support. The Clerk restated the need for signed risk assessments, in
		particular for the regulated removal of asbestos. This was explained by Peter Nottingham, who
		had sought assistance from Augean and Cllr McAllister, who said he would write a risk assessment.
		There was more work to be done on processes and checks for fire risk assessment and general
		health and safety, which is now progressing.
		Action PFMC/Safety subgroup, Cllr McAllister and Clerk c) To note update on the car park plan to improve.
		K Cox said there was a meeting with the surveyor on 18/10/23 and it was confirmed that the cost
		for a survey was previously agreed, up to £1000. Action K Cox
		d) To note update on PFMC proposal to install a dirt track.
		K Cox reported that no more information was available, and the item will be deferred to the next
		meeting. Action K Cox and Clerk
		e) To ask for more Councillors to join as members of the PFMC and agree members.
		A request was made, and no one put their name forward. Cllr Ford said she would consider it and
		let the PFMC know. Action Cllr Ford
		f) To resolve whether to repair The Drift potholes, as per costs provided by Cllr Woodman.
		The costs and details were noted. It was agreed to repair the holes as part of the maintenance
		required from the start of the Drift up to the car park entrance gateway. Action Cllr Woodman
		g) To receive and note report on speed humps on the Drift and resolve whether to install, herewith.
		The report was received and noted. It was agreed not to install any humps due to the associated problems and legalities as highlighted by Highways.
23/87	REPORTS FROM	REPRESENTATIVES
	87.1	Trees and Greens Working Party (Cllr Green, Cllr Mountain, Cllr Holwell and Cllr Bates)
		a) To receive and note feedback from the nature recovery meeting and agree any actions.
		The feedback from the latest meeting was received and noted, including the idea to assess all green
		areas and bring ideas and draft plans to the TAGWG and the next meeting.
		b) To resolve new terms of reference for the new Nature Recovery group or incorporate
	Î.	, state of the sta

		It was decided to incorporate the new responsibilities into the existing terms of reference for the
		Trees and Greens group. Action Cllr Mountain and Clerk
		c) To discuss grass cutting regime at Spring Close and agree any changes for contractor.
		It was noted that this was needed for all areas of the village - except the playing field who may
		tender for this separately. The changes tie in with new regimes that may come from the Nature
		Recovery Group plans to cut and leave some areas differently to promote new wildlife and
		biodiversity.
		d) To receive and note any new reports from the group, including planting of tulip bulbs.
		It was noted that 250 bulbs have been kindly donated from the Polish community groups and the
		location was agreed around the memorial. Action Cllr Lawson/TAG
	87.2	Checkers reports/village maintenance
		a) To receive and note feedback/review Polish war memorial event; general and financial.
		Cllr Lawson read out all of his thanks and also the words from a card he had received from ar
		attendee and for everyone's help and support with the event. Cllr Nicol also recorded a formal vote
		of thanks to Cllr Lawson for his especially hard work and co-ordination of the very successfu
		dedication of the new war memorial and marking of the special Polish WW2 anniversary.
		The finances were stated to have broken even to the budget, with a few remaining items to sort. Action Cllr Lawson/Clerk
		b) To receive checker reports for September and address any issues raised. Checker for
		October is Cllr Holwell.
		Cllr Woodman carried out the checks and recorded no problems. An issue with the very overgrown
		state of the path/cycleway from Easton to Stamford was raised and will be reported to Fixmystreet. Action Cllr Woodman
		c) To note annual asset checks done by Cllr Lawson, Cllr Green, Cllr Mountain and Cllr
		Woodman. War memorial and bins in progress, plus bench at PF.
		It was noted that most annual checks were done now. The war memorial will be cleaned up for
		Remembrance Sunday and will be surveyed for future stone works needed. Action Cllr Nicol
		d) To receive and note update on the development of Spring Close and financial status.
		It was noted that the refurbishment costs, when updated, was just £34.29 overspent of the £1500
		budget.
	87.3	Village Hall.
		1) To note update on names for boards and agree action.
		It was noted that there is a lot of time and work involved in seeking names of ex Chairmen however
		the Village Hall committee will be asked if they still want the boards putting up. Action Cllr Green
	87.4	Vehicle Activation Devices and Traffic Working Group. (Cllr Woodman and Cllr Green)
		a) To receive and note latest data from devices, if available.
		Cllr Woodman had circulated some data that showed the constant and increasing flow of traffic
		and will continue to check speeds.
		b) To receive information on the previous grant and request to repay remainder.
		The Clerk stated that £424 is leftover and a request to repay it was received. She has asked if it can
		go towards a new device/application for a grant and has not had a reply. Cllr Woodman said that
		new, extra batteries would be useful and would look at costs and purchase. Action Cllr Woodman
	87.5	Joint Action Group/Police Liaison Representative (PLR) and Local Area Partnership (Cllr Firth)
		To receive latest report from meetings.
		Cllr Firth has not been to any meetings recently. The Clerk mentioned the LAP website may be
		useful to check. Action Cllr Firth
23/88	ALLOTMENTS	
	88.1	To receive any update from Allotment Manager, P Bates including telephone details for a
		Whatsapp group.
		Mrs Bates gave a verbal update and stated that the tenants she had asked were not interested in a
		Whatsapp group but she will continue to ask everyone, as the Clerk had had a request for better
		communications. Action P Bates
23/89	THE BRIERS MAI	NTENANCE COSTS/PRECEPT QUERY
